

# **Canberra**

Jayco Canberra has been SOLD.

In October 2020 the sale was made to National Capital Motors. The Staff will be staying on to continue the good service. The two Principals Roy and John Lustri will remain there until late 2021 to affect a smooth transition.

There will be some physical changes taking place in due course. The property next door has been acquired and will become the service area. The existing property and buildings will be used for new and used caravans as well as now New Jayco Motorhomes and a Showroom.

Roy & John Lustri thank the members for their business and friendship over the past 15 years.

*(words communicated to Joe Vavra by John Lustri)*
