

The Club Aim's and Aspirations

- To provide members with regular club rallies to various locations that are both enjoyable and relaxing for a wide range of people from all walks of life.
- To encourage and promote safety whilst towing our caravans to various destinations.
- To organise monthly meetings with interesting agendas relating to caravanning. The club sometimes invites guest speakers with expertise in this field to address caravanning matters.
- Please feel free to ask our club members for their caravanning advice. Several of our members have decades of caravanning experience.

What is a Club Rally?

This is where club members hitch up their caravan and head for a predetermined destination. The club has monthly rallies to destinations up to 300km from Canberra. Most rallies stay at caravan parks but sometimes stays at showgrounds or bush camps. Most years the club also does a roving rally to various locations, over greater distances, for a couple of weeks.

The club has some rallies associated with specific events or purposes. In early Autumn, the club has a rally where we have a sporting competition (suitable to the ability and dignity of our members). At another rally, the club holds a fund-raising event like an auction of excess goods &

materials donated by members. The club also attends rallies coordinated by the NSW and National Association of Caravan Clubs.

Other Club Events

Every second Sunday night of the month (7:00pm), the club has a meeting at the Southern Cross Club at Woden to discuss club activities. Most members enjoy a meal together at the SCC before this meeting (5:30pm).

The club also arranges social occasions for members to gather and enjoy each other's company in a relaxed and convivial atmosphere. These events are usually held on a weekday over lunch or organised functions such as the theatre.

Why Join our Club?

There are many Canberra caravans parked in backyards that only see the open road once a year. Joining a caravan club provides an opportunity to optimise the use of your caravan by travelling regularly with a friendly group of like-minded people to a variety of destinations.

A caravan club provides the opportunity for research before purchasing your next caravan. Members are more than happy to show prospective members through their vans and to point out the pros and cons of their caravans and caravanning equipment. Information about safe towing and caravan maintenance is also shared with members.

Prospective members and guests are under no obligation to join. The club encourages prospective members to attend several club events to see whether the club activities are what you are looking for.
